Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Mr. Schivley requested an English translation of the JP document in order to best respond to the outstanding Office Action. Mr. Talbot stated that the file had been lost and suggested that Mr. Schivley make a formal written request for the translation so that the translation would be provided once the file was located. Mr. Schivley filed said formal request on 6 March 2002. The file did not appear as found with a response from Applicants on the Examiner's docket until September 2004. However, Applicants have since submitted an IDS from a counterpart JPO application which contains a translation of the JP document in question. Therefore, no additional translation is being sent. Since Applicants request for the translation was timely, the Examiner is re-sending the previous Office Action with a new time period for reply .
